Funds raised from this event will be used to support programs at Second Chance Opportunities. They have an awesome Community Recovery Center. It is a safe place where people with an addiction, their families and loved ones can come to get support, direction and guidance. In addition to providing employment to individuals in recovery from substance use disorder, they are offered financial rehabilitation, recovery coaching, housing opportunities, medical referrals, and community engagement. Together we can help make a difference. A portion of the proceeds will go to support local and global Rotary projects.
