

# AMAZING RACE TO RECOVERY

March 25, 2023

## Sponsorship Application

Most of the funds raised from this event will be used to support programs at Second Chance Opportunities. They have an awesome Community Recovery Center. It is a safe place where people with an addiction, their families and loved ones can come to get support, direction and guidance. In addition to providing employment to individuals in recovery from substance use disorder, they are offered financial rehabilitation, recovery coaching, housing opportunities, medical referrals, and community engagement. Together we can help make a difference. A portion of the proceeds will go to support local and global Rotary projects.

**Rotary**  
Club

Thank you for your generous support of the Amazing Race to Recovery in the past.

Most of the funds raised from this event are being used to support programs at the Community Recovery Center, a safe and centralized location in the heart of Albany where people with an addiction, their families and loved ones can come to get support, direction and guidance while they are dealing with substance abuse disorders. A space where people in recovery can come and put the pieces of their life back together by; gaining employment, housing and life skills, being part of the recovery community, and learning to have fun and enjoy themselves without the use of substances, which greatly reduces the risk of relapse. A small portion of the proceeds also support local and global Rotary projects.

In the first 4 years we have raised over \$60,000 and enjoyed TV media and print coverage of the event. After 2 years of virtual events, **we are excited to be back at Crossgates Mall for an in-person Amazing Race to Recovery.**
